

## **E-sick leave certificates – will they quicken clients return to work?**

---

---

**ZUS (Polish Social Insurance Institution)  
carries out medical rehabilitation  
of insured clients to help them return  
to work or to enable them to continue  
working.**

**E-sick leave certificates – will they  
quicken clients return to work?**

---

---

**Polish physician's knowledge about  
medical rehabilitation within ZUS  
remains unsatisfactory.**

## **E-sick leave certificates – will they quicken clients return to work?**

---

---

**When issuing e-certificates, the computer system automatically generates a message with information about medical rehabilitation, including a link to online application. This should help to encourage doctors to consider medical rehabilitation for their patients.**
